

NORTHERN CALIFORNIA CHAPTER 2011 REDISTRICTING QUESTIONNAIRE FORM

Worthy District Deputies of Northern CA,

The questionnaire form was created to obtain information on your current district, your opinions on future changes to your district and to get feedback on Brothers in your area that might be willing and qualified to handle the job you are doing now in supervising councils in your district. The form is interactive and text savable so you do *not* have to print it and handwrite answers to the following questions. You, alone, are the best judge of how you district operates, what it entails to supervise it, and what brothers in the area, could take on doing what you are doing now, in a manner that will allow the supervised councils to flourish and excel. The return form filled out is mandatory, as I must compile the information on this form, and report it to the Chapter President and the State Deputy.
